Join Wheels for All – Make a Difference as Our Head of Fundraising!

Are you an experienced fundraiser who thrives in a fast-paced, mission-driven environment? Do you want to play a pivotal role in an exciting charity that is making a tangible difference in people's lives? Wheels for All is seeking a passionate and experienced **Head of Fundraising** to lead our fundraising efforts and help us reach even more people with our inclusive cycling opportunities.

Wheels for All is on an exciting journey of growth, expanding our reach and impact across the UK. With over 30 years of success, we're now scaling up our work to ensure more people, regardless of their ability, can enjoy the life-changing benefits of cycling. As we continue to grow, we need a strategic and innovative fundraiser to help fuel this expansion.

In this role, you will have the opportunity to bring your skills, knowledge, and experience to the table. We are looking for someone who can bring fresh, innovative approaches to fundraising, tapping into new opportunities, and securing the funding necessary to take our mission to the next level.

This is a **remote role**, offering you flexibility to work from home while having the ability to operate on a **national scale, with some occasional travel required**. You will work closely with our passionate team, trustees, and external partners, helping shape the future of the charity and expand our reach far and wide.

In this role, you will:

- Lead the fundraising strategy, securing major grants, corporate partnerships, and individual donations to support our national expansion.
- Oversee marketing and communications to ensure consistent and engaging messaging that resonates with a wide audience.
- Work alongside the CEO and trustees to identify new opportunities and drive growth, capitalising on our position as a national leader in inclusive cycling.
- Develop and deliver innovative fundraising initiatives that align with our growing ambitions.

We offer a **salary in line with market rates for the role, negotiable depending on experience**, and **remote working options** to ensure you thrive in a flexible work environment. With **staff benefits** including generous leave, Cycle to Work schemes, and access to health and wellbeing support, this is a chance to be part of something truly special.

Come with us and make a real difference. Join Wheels for All as our Head of Fundraising and help us create a brighter, more inclusive future for all.

Apply Today by sending your CV and cover letter to recruiting@wheelsforall.org.uk
